A Collection of Uplifting and Inspiring Stories from Chiropractors Around the World

Bats In My Belfry is a collection of uplifting and inspiring stories from chiropractors around the world. These stories share the power of chiropractic care to change lives and promote overall well-being. From stories of patients who have overcome chronic pain to those who have regained their mobility and vitality, Bats In My Belfry is a testament to the transformative power of chiropractic care.

In this book, you will read about:

- A woman who was able to walk again after being wheelchair-bound for 10 years

- A man who was able to get off of pain medication after suffering from chronic back pain for 20 years
- A child who was able to overcome ADHD and improve his focus and behavior
- A family who was able to improve their overall health and well-being through chiropractic care

These are just a few of the many inspiring stories that are shared in *Bats In My Belfry*. If you are looking for a book that will motivate and inspire you, then this is the book for you.
