

Chern On Dispute Boards: The Definitive Guide to Construction Dispute Resolution

Construction disputes are a fact of life. They can be costly, time-consuming, and disruptive to business. But there is a way to minimize the impact of disputes and resolve them quickly and efficiently: dispute boards.

Dispute boards are independent bodies that are established to resolve disputes that arise during construction projects. They are typically composed of experts in the field of construction law and engineering. Dispute boards can help to resolve disputes quickly and efficiently, and they can also help to prevent disputes from escalating into full-blown litigation.
