Language: English File size : 6325 KB Print length: 27 pages

Chicken Does Not Want To Be Chicken Tech Learn To Read is a fun and engaging way to learn to read. With its colorful illustrations and simple text, this book is perfect for young children who are just starting to learn to read.

The story follows Chicken, a young chicken who does not want to be like all the other chickens. He wants to be a tech expert. So he sets out on a journey to learn all about computers and technology.

Along the way, Chicken meets a variety of characters who help him to learn. He meets a wise old owl who teaches him about the importance of education. He meets a friendly squirrel who teaches him about the power of technology. And he meets a group of playful kittens who teach him about the importance of having fun.

In the end, Chicken learns that he can be anything he wants to be, even if it is not what everyone else expects him to be. He learns that it is important

to follow his dreams and never give up on what he believes in.

Chicken Does Not Want To Be Chicken Tech Learn To Read is a charming and inspiring story that will teach children about the importance of education, technology, and following their dreams.
