

Chinese Christianity and Cultural Confluence Since 1552: A Historical Exploration

Chinese Christianity is a unique and fascinating phenomenon, with a long and rich history that has shaped both China and the global Christian community. In this book, I trace the development of Chinese Christianity from its beginnings in the 16th century to the present day, exploring the ways in which it has been shaped by Chinese culture and society.

A Voluntary Exile: Chinese Christianity and Cultural Confluence since 1552 (Studies in Christianity in China)

The book begins with an overview of the early history of Christianity in China, from the first Jesuit missionaries in the 16th century to the Boxer Rebellion in the 19th century. I then examine the development of Chinese Christianity in the 20th century, focusing on the role of Chinese Christians in the Chinese Revolution and the establishment of the People's Republic of China.

In the final part of the book, I explore the current state of Chinese Christianity, looking at the challenges and opportunities that Chinese Christians face today. I argue that Chinese Christianity is a vibrant and growing force, with the potential to play a significant role in China's future.

Key Features

- A comprehensive history of Chinese Christianity from its beginnings to the present day
- An exploration of the ways in which Chinese Christianity has been shaped by Chinese culture and society
- An examination of the role of Chinese Christians in the Chinese Revolution and the establishment of the People's Republic of China
- An analysis of the current state of Chinese Christianity and the challenges and opportunities that Chinese Christians face today

Reviews

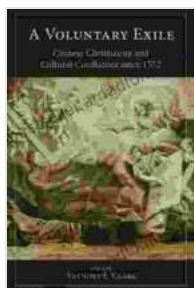

"A valuable contribution to the study of Chinese Christianity. It is a must-read for anyone interested in the history of Christianity in China." - *Journal of Chinese Religions*

"A timely and important book. It provides a much-needed overview of the history of Chinese Christianity and its significance for the future of China." - *World Christianity*
