The Augathella Girls

In the vast and unforgiving outback of Australia, where secrets are buried deep and the bonds of family are tested, there's a tale worth telling.

Welcome to Augathella, a small town where the Augathella Girls - Lily, Rose, and Daisy - have spent their lives.

Lily, the eldest, is a strong and independent woman who has always dreamed of leaving Augathella behind. Rose, the middle child, is kind and compassionate, always putting others before herself. Daisy, the youngest, is a free spirit with a zest for life and a rebellious streak.

Their lives take an unexpected turn when Lily decides to finally make her dream a reality and move to the city. As she says goodbye to her sisters, she can't shake the feeling that something is not right. Her heart tells her that she is leaving something behind - something that she may never find again.

Meanwhile, back in Augathella, Rose and Daisy struggle to adjust to life without their sister. They miss her dearly and worry about her safety in the unknown city.

But fate has a way of bringing people together, even when they are separated by distance. When Lily finds herself in danger, her sisters sense it and embark on a perilous journey to find her. Together, they face the challenges of the outback, uncovering secrets that have long been hidden.

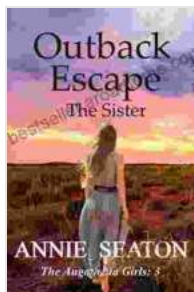

Along the way, they learn more about themselves and each other than they ever thought possible. They discover the true meaning of family and the unbreakable bond that unites them.

'Outback Escape: The Sister' is a heartwarming and suspenseful story that will keep you on the edge of your seat until the very end. It's a tale of family, secrets, and the enduring power of the human spirit.

If you're looking for an escape from the everyday, then this is the book for you. 'Outback Escape: The Sister' will transport you to another world, where the landscape is as unforgiving as it is beautiful, and the characters are as unforgettable as they are flawed.
