John Gotti, known as the "Teflon Don," rose to prominence in the Gambino crime family, becoming its boss by the mid-1980s. With his signature slicked-back hair and flamboyant style, Gotti thumbed his nose at the law, earning a reputation for audacious crimes and evading justice for years.

## **A Conspiracy in the Shadows**

Despite his seemingly untouchable status, Gotti's reign was marked by escalating tensions within the Gambino family. A group of ambitious underlings, led by Salvatore Gravano, grew weary of Gotti's tyrannical rule and plotted to seize power.

Gravano, also known as "Sammy the Bull," was a high-ranking member of the family, known for his cold-blooded nature and ruthlessness. He orchestrated a conspiracy, enlisting the support of other key figures, including Gotti's son, John Gotti Jr.

### **The Execution**

On December 16, 1990, as Gotti was leaving a meeting in Little Italy, the trap was sprung. A team of hitmen, led by John Carneglia, ambushed Gotti's car, spraying it with bullets.

Gotti was hit by five bullets and died at the scene. The execution was a brutal display of power and a chilling reminder of the ruthless nature of organized crime.

### **The Aftermath**

The killing of John Gotti sent shockwaves through the underworld. The FBI investigation that followed was relentless, ultimately leading to the arrest of Gravano and his co-conspirators.

Gravano, fearing for his life, broke the Mafia's code of silence and turned state's evidence, providing damning testimony against Gotti's son and other members of the crew.

### **Justice Served**

In the ensuing trials, the Mafia crew responsible for Gotti's murder faced the full force of the law. John Gotti Jr., Carneglia, and several others were convicted and sentenced to life in prison.

Gravano, in exchange for his cooperation, received a reduced sentence but spent years in prison for his role in the plot. The dismantling of the Mafia crew that killed John Gotti was a significant victory for law enforcement and a testament to the resilience of those who dared to challenge organized crime.
