

The Soviet Afghan War: Images of War

The Soviet Afghan War was a brutal and bloody conflict that lasted from 1979 to 1989. The war began when the Soviet Union invaded Afghanistan in an attempt to prop up the communist government of the People's Democratic Party of Afghanistan (PDPA). The Soviet Union was met with fierce resistance from the Afghan people, who were supported by the United States and other Western powers. The war dragged on for years, and eventually the Soviet Union was forced to withdraw its troops. The war had a devastating impact on Afghanistan, and it is estimated that over 1 million people were killed.
