Exploring Strabo's "Geography"

Strabo's "Geography" is not merely a compendium of geographical data; it is a living, breathing account of the world as it was known in his time. Through Strabo's keen observations and meticulous research, we are transported back to the bustling cities, sprawling empires, and remote regions of antiquity.

From the bustling streets of Alexandria to the rugged peaks of the Himalayas, Strabo leaves no stone unturned in his quest to document the world's wonders. His descriptions of the Nile River, the Great Wall of China, and the legendary land of Serica (modern-day China) are not only informative but also evocative, painting vivid pictures in the reader's mind.

Exquisite Illustrations: Bringing the Ancient World to Life

Delphi Classics' "Complete Works of Strabo Geography Illustrated" is not simply a text; it is a visual masterpiece. Each volume is adorned with a wealth of illustrations, carefully selected to complement Strabo's text and enhance the reader's experience.

Maps, diagrams, and historical engravings bring the ancient world to life, allowing readers to visualize the landscapes, cities, and peoples described by Strabo. From the intricate details of Roman aqueducts to the sprawling expanse of the Persian Empire, these illustrations provide an unparalleled window into the past.

A Comprehensive and Scholarly Edition

In addition to Strabo's complete text and stunning illustrations, "Delphi Complete Works of Strabo Geography Illustrated" also includes:

- An informative by a leading expert on Strabo's work.

- Comprehensive notes and annotations to guide readers through Strabo's complex narrative.
- A detailed index to facilitate quick and easy reference.
- A thorough bibliography for further research.

This comprehensive edition ensures that readers have all the tools they need to fully appreciate Strabo's masterpiece and gain a deeper understanding of the ancient world.
